Experience an unforgettable adventure in paradise with a personalized guided tour at Leilani Farm Sanctuary. Explore nature, meet friendly farm animals, and learn about the history of the land and the animals who reside there. Kiss a donkey or deer, cuddle a chicken, pet the friendly cats, give a pig a belly rub, brush the goats and feed carrots to furry rabbits. The tour lasts approximately one hour.

Leilani Farm Sanctuary, an all-volunteer non-profit 501 (c)3 organization, is located on nearly eight heavenly acres of tropical land, and home to rescued goats, cats, geese, donkeys, sheep, rabbits, tortoises, pigs, ducks, deer, and a cow. The sanctuary was named in honor of Leilani, the farm's first resident donkey. It was created to provide shelter and care for abused and rescued animals, and humane education to the community.

At the sanctuary, there are rolling green pastures for goats and donkeys to graze, hundreds of trees for the cats to climb, a botanical garden for rabbits, and jungle environments for the chickens to explore. The sanctuary is truly a paradise for animals who have been rescued from a life of deprivation and have an opportunity to enjoy a bit of heaven right here on earth.

Leilani Farm Sanctuary is a healing place for animals and humans alike. Come find out!
